- Connection to both the GSM and Thuraya networks at the same time
- Voice communication through handset
- Full duplex hands-free voice communication
- USB connector for computer connection and internet access via Thuraya satellite.
- Sending and receiving messages.
- Phone book
- Easy installation

Components:

- Fixed Thuraya Phone unit
- 10 meter fixed Thuraya antenna (longer cable lengths with high gain antennas are optional)
- GPS antenna
- Power adapter
- User manual
- RS-232 COM cable.
- USB cable
- CD
