ADVANCED TECHNOLOGY SOLUTIONS AND ACCESSORIES FOR ALL YOUR NEEDS

# Thuraya Vehicle Phone Multisim

No more network coverage problems and high roaming costs with 4 SIM cards GSM + Satellite Vehicle Phone

## Seamless connectivity for your vehicle

Thuraya Vehicle Phone MultiSIM provides continuous and economical voice and data communication in your vehicle.

Using Thuraya Vehicle Phone MultiSIM you will be using the most economic operator and will be connected allways, everywhere.

With the 3 GSM and 1 Thuraya satellite line connectivity provided by the Thuraya Vehicle Phone MultiSIM you will have the assurance of staying connected with your family or office whether you are inside or outside your country or even after a natural disaster or jamming in the terrestrial networks.

This system can optionally be used for vehicle tracking service over the internet.
